

Mobile Remote Deposit Services Agreement

Mobile Deposit is designed to allow you to make deposits of original checks to your accounts from home or other remote locations by scanning the original checks and delivering the digital images and associated deposit information (“images”) to us or our processor with your mobile device. After you login to Mobile Banking, you may apply for Mobile Deposit.

Limits: We may establish limits on the dollar amount and/or number of items or deposits from time to time. If you attempt to initiate a deposit in excess of these limits, your deposit will be rejected. Deposit limits are based on a daily limit and a rolling 30-day limit.

Eligible items: You agree to scan and deposit only checks (*i.e.*, drafts drawn on a credit union, savings and loan, or bank and payable on demand.)

You agree that you will not use Mobile Deposit to deposit:

- Checks payable to a person or entity other than you (e.g., third-party; payable to another party then endorsed to you)
- Checks payable to you and another party who is not a joint owner on the account
- Checks payable to a business
- Checks drawn on a financial institution located outside of the United States
- Checks not payable in United States currency
- Checks previously converted to a substitute check
- Checks that are remotely created
- Checks that are dated more than 6 months prior to the deposit
- Checks with a future date
- Checks with illegible or MICR data that is not machine readable
- Items marked “non-negotiable”
- Savings bonds, stocks, or other investment documents
- Checks purporting to be a lottery or prize
- Checks with evidence of alteration, or that you know or suspect, or should know or suspect, are fraudulent or otherwise not authorized by the owner of the account from which the check is drawn

Requirements: Each image must provide all information on the front and back of the original check at the time presented to you by the drawer, including, but not limited to, information about the drawer and the paying bank preprinted on the original check, MICR information, signature(s), any required identification written on the front of the original check and any endorsements applied to the back of the original check. The image quality must meet the standards established by the American National Standards Institute, the Board of Governors of the Federal Reserve, and any other regulatory agency, clearing house or association.

Endorsements must be made on the back of the share draft or check within 1½ inches from the top edge, although we may accept endorsements outside this space. Your endorsement must include your signature, account number and “For mobile deposit only”. Any loss we incur from a delay or processing error resulting from an irregular endorsement or other markings by you will be your responsibility.

A check payable to two payees must be endorsed by both payees and both payees must be signers on the account (no third-party check deposits). If the check is payable to you or your joint owner, either of you may endorse it. If the check is made payable to you and your joint owner, both of you must endorse the check.

Receipt of Deposit. All images processed for deposit through Mobile Deposit will be treated as deposits under your current Account Agreement with us and will be subject to all terms of the Account Agreement. When we receive an image, we will confirm receipt via confirmation number. We shall not be deemed to have received the image for deposit until we have confirmed receipt to you. Confirmation does not mean that the image contains no errors. We are not responsible for any image that we do not receive.

Following receipt, we may process the image by preparing a “substitute check” or clearing the item as an image.

We reserve the right, at our sole and absolute discretion, to reject any image for remote deposit into your account. We will notify you of rejected images.

Original checks: Once the money is in your account, you can choose to either void or destroy the original check. If voiding the original check, clearly write “VOID” on the face of the check. If destroying the original check, shred the check before placing in the trash or recycle containers.

After destruction of an original check, the image will be the sole evidence of the original check.

You agree that you will never re-present the original check. You understand that you are responsible if anyone is asked to make a payment based on an original check that has already been paid.

Returned Deposits: Any credit to your account for checks deposited using Mobile Deposit is provisional. If original checks deposited through Mobile Deposit are dishonored, rejected or otherwise returned unpaid by the drawee bank, or are rejected or returned by a clearing agent or collecting bank, for any reason, including, but not limited to, issues relating to the quality of the image, you agree that an original check will not be returned to you, but that we may charge back the amount of the original check and provide you with an image of the original check, a paper reproduction of the original check or a substitute check. You will reimburse us for all loss, cost, damage, or expense caused by or relating to the processing of the returned item. Without our approval, you shall not attempt to deposit or otherwise negotiate an original check if it has been charged back to you.

We may debit any of your accounts to obtain payment for any item that has been rejected or returned, for any adjustment related to such item or for any warranty claim related to such item, whether or not the rejection, return, adjustment or warranty claim was made timely.

Your Warranties: You make the following warranties and representations with respect to each image:

- Each image is a true and accurate rendition of the front and back of the original check, without any alteration, and the drawer of the check has no defense against payment of the check.
- The amount, payee(s), signature(s), and endorsement(s) on the image and on the original check are legible, genuine, and accurate.
- You will not deposit or otherwise endorse to a third party the original check and no person will receive a transfer, presentment, or return of, or otherwise be charged for, the original check or a paper or electronic representation of the original check such that the person will be asked to make payment based on an item that has already been paid.
- There are no other duplicate images of the original check.
- The original check was authorized by the drawer in the amount stated on the original check and to the payee(s) stated on the original check.
- You are authorized to enforce and obtain payment of the original check.
- You have possession of the original check, and no party will submit the original check for payment.

With respect to each image, you make to us all representations and warranties that we make or are deemed to make to any party pursuant to law, regulation, or clearinghouse rule. You agree that files and images transmitted to us will contain no viruses or any other disabling features that may have an adverse impact on our network, data, or related systems.

Compliance with Law: You will use Mobile Deposit for lawful purposes and in compliance with all applicable laws, rules, and regulations. You warrant that you will only transmit acceptable items for deposit and have handled the original items in accordance with applicable laws, rules, and regulations.

Your Responsibility: You are solely responsible for the quality, completeness, accuracy, validity, and integrity of the image.
